BeEVENTS

BeEvents is a creative agency specializing in the design and activation of live, digital and hybrid events and brand activations. We are experts in delivering immersive environments and engaging activities. Our designs, informed by insights and customized to your audience, raise the bar on attendee and stakeholder satisfaction. BeEvents is a minority owned business certified through NGLCC.

Located in Minneapolis, we also design and produce events nationally including Denver, Seattle, Los Angeles, Austin, Nashville, Chicago and anywhere you might be!

We believe in providing remarkable work with empathy, we strive to live curiously, stay positive and provide a space that promotes sustainability, equity and inclusion, health and safety.
